5 Bedroom, 3.00 Bathroom, 1,327 sqft

Residential on 0.13 Acres

Riverstone, Lethbridge, Alberta

Walk-out Bilevel across from Rivermill Island Park! This dynamic 5 bedroom home offers the best of both a stylish design, and well established character. Major updating renovations were completed in 2022 including complete custom kitchen, flooring, paint, fixtures, and more. The kitchen certainly exudes a luxurious feel with the black cabinetry, white flecked quartz countertops, and gold tile accents; yet still is very functional with the oversized, low island counter height and convenient beverage bar. The yard has been developing since 2006, is well treed, tastefully landscaped, and provides a gorgeous private retreat on those hot summer days. Ascend to the primary bedroom suite that is very spacious, sports a walk-in closet with natural light, and is overlooking that island park. 2 other bedrooms on the main level, and 2 more bedrooms down gives you room for all of your clan. 3 FULL bathrooms throughout the home add to the convenience as well. A family/rec room in the lower level and true walk out access to your back yard will cater to your series binge-watching nights, hot tub sessions, and back yard BBQ's. This gem of a property could be available to move in to as early as 30 days...what are you waiting for?

Built in 2006
